

Holme Valley Parish Council

Criteria & Guidelines for Grant Applications from the Service Provision Budget

Holme Valley Parish Council operates a number of community grant schemes, overseen by the Finance & Management, Community Assets Support and Service Provision Committees.

These criteria and guidelines apply to applications for funding from the Service Provision Budget specifically and, generally, the Service Provision Committee oversees anything relating to Youth Facilities, Transport, CCTV, Defibrillators, Seats and Shelters, adopted Phone Boxes, Dog Waste matters, Christmas Provision, War Memorials and Partnership Ventures.

The Committee's agreed budget is included in the overall annual Budget 2018-19, available to download from the Council's website. The website also contains further details for applicants as to which committee they should apply, but the Clerk will assist in determining which type of grant would be most suited to your own community's application if you need any further guidance.

The aim of all the Council's grant schemes is to ensure that public funds are used in ways that benefit groups of residents and protect the interests of residents into the future. The Council therefore encourages applications from local community-based 'not-for-profit' or charitable organisations, e.g. voluntary groups, societies, clubs (including new start-ups), sports clubs, youth clubs, playgroups and schools (for play equipment or for activities not on the normal curriculum).

1. General criteria – these apply to all Community Grant Applications:

- 1.1 Each application to be considered on its merit; the amount of grant will be at the discretion of the Parish Council, but should be limited to **£1,000**.
- 1.2 The purpose for which the grant is made must be in the interest of the Holme Valley or any part of it or all or some of the inhabitants of the Holme Valley. The Holme Valley is defined by the boundaries of the Parish Council. The benefit to the area or inhabitants must be commensurate with the expenditure.
- 1.3 Organisations and groups will be expected to contribute some of their own funds to the project although a set percentage has not been agreed.
- 1.4 The Parish Council will endeavour to treat similar projects equitably.
- 1.5 The Committee will take into account any previous grant made to an organisation or group when considering a new application.
- 1.6 Any organisation or group with permanent bar facilities in operation may be excluded, at the discretion of the Parish Council.
- 1.7 No grant will be awarded to or for any commercial venture for private gain.
- 1.8 Grants will not be made retrospectively.
- 1.9 The Parish Council regrets that, by law, it is not able to make grants to individuals (Section 137 of the Local Government Act 1972).
- 1.10 Groups within the Parish Council's area may apply on the proviso that anyone benefiting from the grant must live in the Holme Valley Parish area. If any group members live outside the Parish, the group must demonstrate direct benefit to the Valley to be eligible to apply for a grant.

2. Applications for support for a Community Service or Activity:

- 2.1 The application must relate to a community service or activity to be held within the Holme Valley.
- 2.2 Preferably, the application should be for support for specific identifiable elements of the service or activity, i.e. something tangible, rather than towards general running costs.

3. Applications for support for Capital Expenditure or Project:

- 3.1 The application must relate to some specific item of capital expenditure or project and not to any regular item or maintenance or other revenue item, such as utility or staffing costs.

4. Applications for support for Youth Projects specifically:

- 4.1 An applicant must not use the grant for trips outside the Holme Valley unless it can be demonstrated that the trip is of an educational nature or would provide direct benefit to more than one participant (who must also live in the Valley).

5. Conditions

- 5.1 All grants will be conditional upon submission of Audited Accounts and supporting documentation detailing costs for which funding is being sought.

- 5.2 (a) Recipients of grants from the Parish Council may be required to attend a meeting of the Parish Council to inform Members how the grant has been expended.

(b) All grant recipients are required to provide the Parish Council with a brief report (between 100 and 300 words maximum), including photographs, of how the grant has been utilised, how it has assisted the organisation or group and what it has achieved; such report may be published in the Parish Council's newsletter and on the Parish Council's website; this must be submitted **within two months** of purchase of the capital equipment, or completion of the project or event for which the funding was awarded.

(c) Acceptance of a grant will be taken as permission for the Parish Council to publish such articles in its newsletter but the organisation or group is responsible for ensuring that all necessary permissions are obtained for publication of photographs.

- 5.3 If the grant is put to purposes other than those for which it was awarded without the prior approval of the Parish Council, the recipient organisation or group will be required to repay the grant to the Parish Council.
- 5.4 The organisation or group should supply such information as the Parish Council may request regarding the impact of the project on the Parish Council's area.
- 5.5 Recognition of the grant from Holme Valley Parish Council must be made in any publicity.

6. What happens when my application is received by the Parish Council?

- 6.1 All grant applications will be acknowledged by the Clerk; applicants will be informed of the date when the application will be considered, and a grant application number will be applied. This should be quoted in all future correspondence relating to that application. Applicants are encouraged to attend the meeting when their application will be considered, to support their application.

- 6.2 The application (only) will be distributed to all Members of the Service Provision Committee (by email or post, as appropriate) with the Meeting Agenda.
- 6.3 Before the meeting, the Chairman of the Service Provision Committee and the Clerk/Responsible Financial Officer will assess the application, to check all supporting documentation and to ensure that the application meets the Council's criteria. An appropriate recommendation will then be made to the Committee at its meeting.

7. How will the application be assessed?

The Chairman of the Service Provision Committee and the Clerk/Responsible Financial Officer will look at the following:

- How well the grant will meet the needs of the community, providing positive benefit to the inhabitants.
- How effectively the group will use the grant.
- Whether the costs are appropriate and realistic.
- What level of contributions has been, or will be, raised locally.
- Whether the organisation or group could reasonably have been expected to obtain sufficient funding from another, perhaps more appropriate, source.
- How the organisation or group is managed - as indicated in the Constitution.

8. What happens next, if your application is successful?

- 8.1 The Clerk will write to you to confirm the grant has been approved, to confirm the amount of money agreed and any specific conditions which may have been applied.
- 8.2 When you accept an offer of a grant you agree to the Council's terms and conditions.
- 8.3 The Council pays grants by cheque, made payable to your organisation (in accordance with the Council's Financial Regulations); it will not issue the grant in the name of an individual.
- 8.4 If, as part of any conditions, you are required to submit copies of paid invoices, these should be made out in your organisation's name and dated after the date the grant was approved – the Council does not fund retrospective projects.
- 8.5 It is important that the conditions as detailed in section 4 (above) are adequately complied with, with a report and photographs supplied **within two months** of the purchase of the capital equipment or completion of the project/event.
