**BRASS
FACTOR**

Dear Holme Valley Parish Council,

I'd like to write to the council to thank you very much for your grant of which helped fund the cost of the venue and music stands made Brass Factor Holmfirth to be an extremely memorable evening.

The grant provided by you helped pay for the hire of the Holmfirth Picturedrome on Saturday 19th November, as well music stands for the competition and community.

Brass Factor saw over 600 people witness six brass bands compete against each other in order to win the vote of both the Brass Factor celebrity judges and the audience. Every brass band on the evening demonstrated extraordinary talent and yet again showed why we should be so proud of the amazing talent we have in the Holme Valley:

Once again Brass Factor exceeded previous years coverage by representing the music in the Holme Valley to a market audience of over 500,000 within Yorkshire and many more throughout the country. On the evening we had audience members travelling from across the UK to be at the Brass Factor.

I was delighted to welcome many councillors to Brass Factor this year.

Once again thank you very much for the funding to help make Brass Factor the success it was. Without the valued support of the Holme Valley Parish Council the evening would not have been possible.

Kind Regards,

Alexander Bray

Brass Factor Organiser
