

Mary Blacka

I have lived in the Holme valley for thirty years, first near Hepworth and now on the edge of Holmfirth. Almost all my working life was spent in Further and Adult Education. I have been a governor at Hepworth School for a long time and am the treasurer of the Friends of Cliff Recreation Ground. I am a Youth Offending Panellist and a Supported Lodgings Provider for Kirklees Council. I love walking and sing with Holmfirth Choral Society.
