

HOLME VALLEY PARISH COUNCIL

ALTERATION IN LOCATION OF MEETINGS

Following a resolution taken by the Council at its meeting on 19 October 2009, it has now been agreed that meetings of the Finance and Management Committee and General Purposes Committee, in addition to meetings of the full Council and of the Planning Committee, should be held in the Council Chamber, rather than the Ground Floor Meeting Room.

Meetings of other Committees will continue to be held in the Ground Floor Meeting Room.

This decision has been taken because of the size of the room, the numbers attending the meeting, and the comfort of both Members of the Committee and of members of the public attending.

Anyone wishing to attend a meeting to be held in the Council Chamber, who would have difficulty accessing the Council Chamber, is asked to contact the Officers of the Council in advance of the meeting, so that alternative arrangements can be made to facilitate such attendance.
