## Grant Evaluation

- The Parish Council likes to hear how community groups have used the money awarded to them
- As the money awarded is public money, we also need to make sure that the money has been spent appropriately and as agreed

<b>Name of Organisation</b>	Honley Silver Band
<b>Amount of award</b>	£ 5000
<b>Purpose for which the grant was awarded</b>	The repair and replace half of the floor in the Bandroom , that had been held up by a temporary installation of a telegraph pole 40 years ago.

### The Story of Your Project

- *Tell us what you did with the money awarded to you*
- *Attach a few photos*

The part of the bandroom floor over the cellar was supported by a telegraph pole and there was a ridge across the room between the section over the cellar and the section on solid foundations.

## The Story of Your Project contd.

With the chairs and music stands removed to the work can be done, the flooring is exposed, with the visible dark line across the floor marking the ridge between the two sections of the floor.

During the Easter break, the building work began, removing the old flooring over the cellar and disposing of the waste and the new floor installed and soundproofing carpet tiles laid.

The new floor is even and flat and also has resulted in a major uplift to the playing environment.

## What you achieved

<b>What were the benefits of your project?</b>	To ensure a permanent, secure repair to the bandroom floor, removing a trip hazard (the ridge across the room) and installing sound deadening flooring to help reduce potential disturbance to our neighbours
<b>Who benefited from the project and the grant awarded?</b>	The band members benefit directly along with our supporters and our audience will benefit as the quality of our music develops further as the band rehearses in its improved rehearsal space
<b>How many people benefited?</b>	30 bandmembers
<b>Did you achieve what you were trying to do?</b>	Yes, there is a significant improvement with the floor and a trip hazard has been removed. The project was completed within the estimated budget.
