Firstly, I would like to take this opportunity to say thank you for the funding for this Project. With our expertise of working in schools and the community, we knew of the need to give girls the chance to take part in sporting activities. We are very pleased with the outcome of the Project, and we would love to have further funding to create even more opportunities in the Holme Valley for girls.

Last year our Project ran from Wooddale however, to target more girls, we decided to move the Project around the Holme Valley to different locations every 6-8 weeks.

1st location was Brockholes

2nd location was Hinchcliffe Mill

3rd location Hade Edge

We instantly had a huge take up in girls being able to attend the session and we were fully booked. We also provided an extra member of staff to cope with the demand of the sessions. We had over 20 girls on a consistent basis throughout the weeks. We have been in contact with a local school who will fund a girls club due to the success!

We would love for this successful Project to continue in the future and to increase the opportunities for further girls to take part in sports and activities.
