Dear Sirs

Re: Award of Grant

Along with many in retail and a wide range of businesses, the requirement to be 'Covid secure' has meant we have had to make many changes to how we operate our market. As a non-profit making organisation, the cost of these changes has been quite a burden. We produced signage, bought masks and visors, lots of sanitiser and anti-viral cleaner, closed our cafe (this paid the rent for the premises), introduced a one-way system, wrote risk assessments, changed our operation to facilitate social distancing, bought baskets for customer use and purchased a card reader. We knew we needed protective screens for our cashiers but simply did not have enough money to make this purchase.

The grant awarded has enabled us to purchase the screens and as a result, our cashiers and customers, are now much safer.

Once again, many thanks for your generosity, it is very much appreciated.

Kind regards
