

Dear Sally

I am writing to thank Holme Valley Council for the grant and support we received for our 40th Anniversary that took place on Sunday 2nd October.

As you know the event was attended by six of your Parish Councillors. I hope they enjoyed the concert. It was a huge success and we sold over 250 tickets. The Picturedrome was full and everyone enjoyed meeting up with past members and old friends.

The grant you gave us towards the hire of a piano was much appreciated. We had five very accomplished accompanists on the day and their performances were much enhanced by the use of a quality instrument. Thank You.

I have tried to attach two photographs of the event as you requested on your form. They didn't come out too well but hopefully you get some idea.

If there is anything else you require from me do let me know.

Many Thanks

Joan Rock on behalf of Holme Valley Singers.
