Grant – Holy Trinity Church, Hepworth

Dear Mrs. Barber

I write on behalf of the Parochial Church Council of Hepworth Holy Trinity church to thank the Council for the generous grant of £600.

This was towards the cost of erecting a handrail and this has been done as the enclosed photograph illustrates. There was need for a rail as the slope on the lane from Butt Lane down to the church lychgate has a steep gradient at the main road end. The water runs down from that road and conditions can be very wet or indeed icy so that the rail is even more important in those conditions.

The presence of the rail will be appreciated not only by the church congregation and extra numbers at weddings, funerals and special services but also by casual walkers as it is the first section of the public footpath which leads down to the mill.

Yours sincerely

Dorothy Walker
Secretary to Hepworth Holy Trinity P.C.C.
