Dear Sally,

On behalf of all at Holmfirth Town can I say a sincere thanks for the £1,000 grant.

As I always say with amounts like that; £1,000 to us is like £100,000 to a Premier League club. It is such a lot of money to us at this level. We simply could not do the work without grants like that.

Again, thank you to you and all committee members,

Yours Sincerely,

Andrew Watson

Chairman
