Mrs S S Barber

Holme Valley Parish Council

Dear Mrs Barber

I refer to your letter dated 6/7/16 in which the Council kindly gave us a grant towards our car park refurbishment.

I am pleased to report that the work has been completed by D.Haigh & Co.Ltd. and we have settled the enclosed copy invoice in full.

Today several of our members completed the marking out of our car park, which has resulted in several extra spaces. The elimination of a small grassed hillock has also made the parking of vehicles more accessible.

Enclosed are several photographs showing the fully re tarmac entrance and several other areas which have been repaired.

We have recently completed an asset transfer of the Centre from Kirklees Council and the refurbished car park will be a major asset to our users.

Once again on behalf of the Association I thank you and the Council for your assistance in this project. Please let me know if you require further information.

Yours sincerely

Mike Hirst
