Dear Liz

PARISH COUNCIL GRANT

As you all know, River Holme Connections has invested a great deal of time, money and effort in restoring and enhancing the Duck Feeding Area by the Co-op car park. The finishing touches were an information board and two benches. We commissioned the work from local artist Mick Kirkby-Geddes. We ran a competition in local schools and Mick incorporated elements from all the entries in the benches, as you will see below.

Each bench cost £1,200 and we are very grateful for the Parish Council's contribution of £1,000. It's heartwarming to see how well the benches are used, and we have seen numerous people taking photographs of them.
