Helping hand for local causes

Did you know that in 2021-22 your Parish Council supported local causes through grant-giving to the tune of £80,000?

Successful awards this year have started from as little as £100 to help celebrate the Queen's Platinum Jubilee to grants of up to £5,000 for works ranging from fixing roofs to upgrading kitchens for community facilities.

Cllr Pat Colling, Chair of the Finance and Management Committee commented, "It is such a pleasure to be able to support the work of so many community groups through, amongst other projects, helping to maintain our community assets. We know that many of our residents look forward to time spent in our community spaces and that we have a fabulous range of local clubs all doing their bit to make the Holme Valley a thriving community."

The Service Provision Committee was particularly busy

with just under £16,000 worth of grant applications made to the Youth Facilities budget. This budget has £8,000 allocated to it, leaving the Committee with a real dilemma as to which applications to support. Chair of the Committee Cllr Sean East said: "The Committee was keen to support the many excellent providers of youth services we have in the Holme Valley. However, we had to limit each grant given to keep within our budget. Fortunately, the Full Council has since voted to give a further £8,000 so that the grant applications can be met in full. That's great news for young people and their families in the Holme Valley."

The next deadline for the receipt of grant applications is 5pm Tuesday 31st January 2023. See full details on the Holme Valley Parish Council website for an up-to-date list of the grants given this year and to find out how to apply for a grant.

+++STOP PRESS+++ Welcome to Cllr Chris Green who was elected unanimously as councillor for Honley South Ward on 10 October 2022.
