On Saturday 17th December 24 we held a Children's Christmas party for children and families from the village and the Holme Valley. This was simply a wonderful event with c46 children attending. The hall was decorated with fairy lights, Christmas decorations, tree's etc ready for the event. All the children danced and played the party games together (with prizes) and most importantly had fun making memories. Food was served with the support of the parents and volunteers our special guest, Santa made an appearance, handing out selection boxes to each child. Excitement and big smiles were in abundance. All the children and parents had a great time, leaving extremely happy having been with friends and also made new ones. This has become such a wonderful annual event that everyone looks forward to and enjoys and without the grant it wouldn't be possible.

What you achieved	
<b>What were the benefits of your project?</b> <b>(Maximum 500 words)</b>	<p>This has become a very successful annual event which we are very proud to host for the children of our community. We created an opportunity for children to come together to have fun with their own Christmas Party. The event was widely promoted on social media and in the Honley Flyer with the aim to reach as many families in the community as possible.</p> <p>The party was hugely supported by local children and families from the village.</p> <p>Our objective of these events is to create a safe place for children and families to come together, have fun, make new friends and creating memories and we definitely achieved this – everyone who attended left very happy, excited and worn out from all the activity.</p>
<b>Who benefited from the project?</b> <b>(Maximum 200 words)</b>	<p>c46 children, aged between 3-13 years attended the Christmas Party bringing along mums and dads to watch them all have fun. Many siblings were able to take part in the party which was wonderful to see the whole family having fun together with other children from the village.</p>
<b>How many people benefited?</b> <b>(Maximum 200 words)</b>	<p>c56 children + mum's &amp; dads &amp; volunteers who made the day a great success</p>
<b>Was the project inclusive?</b> <b>How were marginalised groups (elderly, disabled, young people etc) able to participate?</b>	<p>The event was created specifically for children - mum's, dad's, grandparents and guardians also participated when they brought their child along to the party.</p>

Reflecting on climate change, did the project address any aspects of the climate emergency? How?	N/a
Did you achieve what you were trying to do? (Maximum 200 words)	Yes. Our objective was to create a safe place for children to come together, have fun and enjoy their own Christmas party. We have had huge success over previous years with many children returning to the party year on year. Our special guest, Santa is a huge success and brings a huge smile to every child. The party is heartwarming and an absolute pleasure to host
