The RFO reported on the Council's finances as the year end approached.

It was possible that a further £25,000 would be committed from General Reserves as a result of items being discussed at the meeting. This would mean that the Council's finances at year end would be in a good position as opposed to a very good position.

Councillors were reminded that Financial Regulations referred to Earmarked Reserves generally represented unspent funds for partially completed projects.

RESOLVED: to place unspent funds for the Civic Vision project, estimated at c£9,000 at year end into an Earmarked Reserve for 2026-7.

RESOLVED: expenditure of £1,000 from the Tourism Earmarked Reserve as a grant to Holme Valley Heritage towards the setting up of a Holme Valley Heritage Hub.

It was possible that any spending regarding a Heritage Hub would be match-funded by Kirklees Council. Various locations were being considered around the Holme Valley that might be utilised as heritage hubs.

An **ACTION** for Cllr Ransby was to check on the progress of the videos commissioned from Northern Content.

Whilst progress regarding the Bus Route Map was reported, and a possible project to replace artwork for the information board in Station Road Car Park, no proposals were put forward to consider.

An **ACTION** for Cllr Firth was to contact Cllr Whitelaw regarding any information he had about businesses under threat of closure so that this could be shared with Holmfirth Businesses Together.

2526 204 Kirklees Local Plan Review

In Cllr Blacka's absence, Cllr Wilson reported on the Local Plan Review. Twelve different community groups were involved in the work of the Reference Group as well as a number of councillors, indicating that this issue was of keen interest throughout the Holme Valley.

The Reference Group was looking to respond to the latest version of the National Planning Policy Framework, the latter being seen to have a considerable potential impact on the development of grey and greenbelt land.

A Kirklees officer was providing a good level of support to the Reference Group. It was stated that Holme Valley Parish Council is the only local council within Kirklees undertaking this work.

There were no further actions resolved upon with regards to the Kirklees Local Plan Review.

2526 205 Holme Valley Parish Council – annual report

It was reported that the publication of an annual report was a requirement of the *Annual Governance and Audit Return*. The Draft Annual Report had been presented at the Annual Parish Meeting earlier in the evening, accompanied by a video presentation.

Holme Valley Parish Council

APPROVED: the Annual Report 2025-26 as presented with minor typographical errors amended.

Cllr Donna Bellamy, Chair of the Working Group, reported that this significant piece of work was nearing completion and that the new lease would take effect, once approved, in the new financial year. She thanked fellow working group members, HVPC officers and the Civic Trust for all the hard work put into the project.

Cllr Wilson was confident that the new lease would contribute to putting the Civic on a firmer financial footing.

APPROVED: the lease, annexes and side letter between Holme Valley Parish Council and Holmfirth Civic Hall Community Trust, as presented.

An **ACTION** for the Clerk was to organise for the signing of the lease to enable it to be dated at the commencement of new financial year.

2526 207 Community Governance Review

The Stage 1 Consultation Summary and Stage 2 Recommendations, alongside the Stage 2 Consultation – information, had been shared in the agenda pack.

These included proposals relevant to Holme Valley Parish Council. Final recommendations were to be prepared between April and June 2026 for consideration by Kirklees Council and decisions were expected to be made September 2026.

Whilst the Parish council would not be taking a view individual councillors and the public in general were to be encouraged to take part in the consultation and express their views.

With regards to the proposal that a separate Honley and Brockholes Parish Council might be established, it was acknowledged that if this became a reality it could be a source of uncertainty and was likely to cause a lot of work initially, which would be a challenge.

There were no further actions or proposals to consider with regards to the Community Governance Review.

2526 208 Chair's Expenses

It was reported that £795 remained in the Chair's Expenses budget line. No further expenditure from this budget was expected by the end of the financial year.

An **ACTION** for Chair was to contact the Deputy Clerk/RFO by Tuesday 31 March 2026 to convey his wishes with regards to any underspend in the Chair's Expenses Budget Line.

Holme Valley Parish Council

One possibility mooted in the meeting was for part of the underspend to make a contribution to the Huw Thatcher Trust to replace planters at Sands Park erected in Huw's memory.

2526 209 Consultant costs

The Parish Council had engaged HoeyAinscough Associates to give independent assistance regarding a GDPR/Freedom of Information request. Standard costs were reported to be £150 + VAT per hour or £750 + VAT per day (6 hour's worth of work).

To date, work had included assistance in the drafting of two letters, communication by telephone and 2 Teams meetings. The work was not yet concluded and was expected to involve HoeyAinscough in preparing a significant body of documentation for possible release in response to the request.

Cllr Lawrence Baylin, Vice Chair, reported that there was a budget line containing £500 for such consultancy costs. This was likely to be insufficient to fund the work required. It was not possible to know the exact likely costs at this point in time.

Cllr Donna Bellamy declared an interest in the matter as she was acquainted with a member of the HoeyAinscough team and so would take no part in any vote.

APPROVED: expenditure of up to £5,000 from General Reserves for consultant services regarding a GDPR/Freedom of Information request.

An **ACTION** for the Clerk Team was to chase up HoeyAinscough for an estimate of time likely to be required to process the Freedom of Information request.

2526 210 Risk Assessment - update

The Holme Valley Parish Council's Risk Assessment had been revised to include an extra section with a risk description *Disrespectful or otherwise inappropriate communications or behaviour shown towards staff. False accusations brought against staff*. This was currently assessed as being a *substantial* risk.

Cllr Lawrence Baylin, Vice Chair, reported on behalf of the Staffing Committee, reminding the Council that there had been incidences of such behaviour seen in earlier iterations of the Parish Council.

APPROVED: the amended Risk Assessment, as presented.

An **ACTION** for the Clerk Team was to ensure the updated Risk Assessment replaced earlier versions.

At 8.59pm it was **RESOLVED** to suspend Standing Orders to complete the business of the agenda.

2526 211 Request from Friends of Honley Library

Holme Valley Parish Council

Cllr Glenn Kirkby declared an interest in the item and would take no part in any vote. This interest was covered by a dispensation.

The Deputy Clerk/RFO reported that Friends of Honley Library requested that the Parish Council pay for additional insurance costs uplift occasioned by the building of the extension. The additional costs were likely to be under £1,000. The addition of the extension was likely to increase the value of the building which was owned by the Parish Council.

APPROVED: that expenditure in principle is made from General Reserves to meet any additional insurance premium with regards to the extension being constructed at Honley Library.

2526 213 Covid Memorial Budget

It was reported that when the Parish Council's budget was set for 2026/27, it was anticipated

Holme Valley Parish Council

that the Covid Memorial project would be completed before the end of the Council Year 2025/26, and for the earmarked reserve to be wound up. This had not proven to be the case. The project was incomplete in that the memorial plinth needed to be installed at Sands and funds were still needed for its completion.

APPROVED: the rollover of the Covid Memorial earmarked reserve into 2026/27, currently holding £2,364.25.

An **ACTION** for the Clerk was to chase up permission from Kirklees Council to install the memorial plinth at Sands.

2526 214 Local Plan Reference Group Budget

It was reported that when the Planning Committee budget was drawn up for the year 2025/26, it was set up to include a £1,000 budget line for the Local Plan review expenditure.

The Report covered the following changes:

- Updated the Council's priorities for grants.
- Drew up a Grants Policy for the Parish Council.
- Included a proposal to update the Parish Council's website Grants section so that its structure is founded on the Grants policy, plus some more detailed other information.
- Updated the grant application form.
- Updated the Grant Evaluation Report to include the new branding.
- Moved the grants to one pot of money from 2026/27, this would involve a virement between 4315 and 4405.
- Considered changes to other aspects of the grants process (i. rolling grants, ii. *triaging* applications before they are seen by this Committee, iii. identifying an annual priority for Council grants) but decided not to make changes.
- Standardised the process for the consideration of grants outside the February/September cycle.
- Did not move forward with a process of using sponsorship rather than grants, to financially support community groups. Sponsorship created many more problems regarding legality, scrutiny, VAT, and needing to consider other

Holme Valley Parish Council

organisations.

APPROVED: the report of the Grants Working Group and the changes to the grants process included therein, including the merging of the community assets and community events grant budget lines, as well as the supporting documentation.

2526 216 The Civic – recommendations to Full Council

It was reported that the FINANCE AND MANAGEMENT COMMITTEE wished to commission work to develop a fundraising strategy to support the future development of the Civic, including looking to ascertain the views of key funders like the National Lottery Heritage Fund, Architectural Heritage Fund and Arts Council. The initial cost for this was estimated to be in the range of £2,500.

APPROVED: a project budget of £5,000 for the development of a fundraising strategy coming from General Reserves as recommended by the FINANCE AND MANAGEMENT COMMITTEE.

2526 217 Huw Thatcher Trust – grant application

It was reported that the FINANCE AND MANAGEMENT COMMITTEE considered a Grant Application from Huw Thatcher Trust for £1,390 towards planters for Sands and **RESOLVED** that this application fell outside the criteria of its grants process but that FULL COUNCIL might wish to consider it.

RESOLVED: to consider the request from the Huw Thatcher Trust for £1,390 from General Reserves towards planters for Sands outside of the normal grants process.

Cllr Dixon gave some contextual information regarding the history of the Huw Thatcher Trust and the Parish Council's previous support of it. Whilst empathy was expressed for the family of Huw Thatcher there was no proposal put forward to provide funds as a gift direct from General Reserves.

There remained the possibility of the Chair providing a contribution from the Chair's Expenses budget. The Chair would consider this outside of the meeting prior to the end of the Council Year.

An **ACTION** for the Deputy Clerk/RFO was to contact the Huw Thatcher Trust and explain that the application could not be considered further as a grant, that a proposal to gift a contribution to General Reserves had not been forthcoming at the meeting and that officers were awaiting further communication regarding this from the Chair.

A motion to return any underspends to General Reserves was not carried. The basis for not returning the underspends to General Reserves was queried and members were reminded by Cllr Wilson that expenditure from General Reserves was expected to cover 'unforeseen emergencies'.

APPROVED: monies from budget line 4320 Public Toilets Day-to-Day to be moved to EMR 351 Holmfirth Toilets Refurb and from budget line 4740 Seats and Shelters- Maintenance to new EMR Stone Shelter Refurb at the end of the financial year.

The COMMITTEE wished to effect repairs with regards to this as soon as possible as it intended to consider possible tenants for the unit at its 8 June 2026 meeting. The budget line for 2025-6 for the Lettable Space had no further monies left in it.
