As a community hub, it's important that we are able to offer plenty of seating options for people who come and visit the cricket. This ranges from players on a match day to visiting spectators and parents watching their children take part in junior training on a Friday night.

Additionally, offering a degree of flexibility to those people who want to enjoy the club in the evenings and chase the sun across the ground once games have finished ensures

that the club can be enjoyed for longer.

Children get the field to play safely, families benefit from a safe community space where they can enjoy summer evenings and players get to participate in their sport with comfort.

That in turn helps us to (being totally frank about it) increase the time that people spend at the club, sell a few more pints, increase our income and therefore be around for a little longer. The longer we're going, the more and more benefit we can provide.
